Samriddha Basu

1x Microsoft Certified: Azure Fundamentals || Technical Head at
Computer Society of India (CSI) - SRM NCR || PR HEAD at GFG
SRM NCR Chapter
New Delhi

Summary

A sophomore pursuing B.Tech in CSE with specialisation in
Cloud Computing at SRM IST Delhi-NCR Campus. I'm an ardent
technophile and a cloud enthusiast, I love connecting with people
and having a network of like-minded people. I'm pretty well at
presenting and speaking in public. I have a good command on
C/C++(5-star in HackerRank), Java and trying my hands on
Android Development using Kotlin. I stick to a task until it gets done
perfectly.Recently I have successfully completed the requirements
to be recognised as a Microsoft Certified: Azure Fundamentals. I
currently am the Technical Head at CSI SRM NCR Chapter and
PR Head at GFG SRM NCR Chapter. Public Relations and Tech
have been my domain since my freshman days and hope to explore
other domains too. I am a quick learner and can adapt to changes
real quick. My short term goal as of now is to master Android
Development and complete my Google Digital Leader and AWS
Cloud Practitioner(CLF-C01)certifications. I'm a team player and can
lead a team from front. I believe in wise work and staying loyal to the
organisation I'm in.

Experience

Computer Society of India (CSI) - SRM NCR
1 year 4 months

Technical Head
February 2022 - Present (4 months)
Ghaziabad, Uttar Pradesh, India

P.R. junior Lead
April 2021 - February 2022 (11 months)
Modinagar, Uttar Pradesh, India

A lovely experience, meeting new people (although virtually) , making new
connections, gathering knowledge from every nook and corner; all in all would

never regret my days with this post. Also would extend my gratitude towards my seniors, who counted on me and I hope I had not let them down.

Core Member of Students Council
February 2021 - February 2022 (1 year 1 month)
India

When we work in a team, we actually get to know the value of unity, leadership, and
tolerance, here in the core team of CSI SRM NCR Students' Chapter, I have been personally gaining a lot of knowledge, also have been imparting wherever and whenever I got a chance to, and I can confidently state that, yes! I have been contributing being in a community.
